

# AMEE

## Trends in Medical Education

Zaragoza, Spain

6 - 9 September 1995

### AMEE

Association for Medical  
Education in Europe

#### Come to Zaragoza and

- listen to and discuss papers covering a wide range of topics related to changes in undergraduate, postgraduate and continuing medical education
- look at two themes in more depth
  - **assessment** including some important trends
  - **new technologies in medical education** including use of computers and simulation
- view an informative exhibition of posters and resources in medical education
- join a task-force to finalise recommendations on medical education and prepare a plan for action
- attend workshops or master class sessions on topics of current interest
- talk and exchange views with colleagues
- enjoy a few days in an interesting part of Spain
